### Council Organ

The name of the Swannanoa Student Council was discussed to develop a program of leadership among the students to develop a sense of school activity and worthy school advancement in the school activities of the council. The council is composed of the ex-officio advisor(s), the vice-president. The power of the council is represented in meetings from such duties as direct, faculty, homeroom or new ideas b

Members elected by the students in the spring from the rising class. The president is elected by the student body at the school year-end or class. The vice-president is elected by the student body in the year from the rising class. The

fall semester once every year may be called or faculty at the Club Program you know v

clubs in Swannanoa High. These include the club, F.F.A., "Beta" club and Safety Patrol. We have a number of students who are interested in other things but we don't have enough clubs to take care of all the interests.

I have two questions that everyone to think about. What is the purpose of a club? What is my purpose in joining? Well, every club has its own purpose but here are some ideas. I think every club should be formed to learn new skills, to perfect old skills, to exchange ideas, to serve others, to have fun.

Once you know the purpose of a club then you'll know whether or not you want to join. The purpose for joining should be to meet new people as well as to have ideas. Another good purpose for joining should be to learn to get along with others.

So you see we do need more clubs in our high school. I'd like to say this in behalf of the Student Council. We would be glad to help anyone who is interested in joining or organizing a club.

trilling victory over  
Swannanoa one Saturday night recently.

The game started very slowly, but the fireworks started popping in a few minutes. Everybody was on his feet thrilled to death with the action of the donkeys.

The Senior girls modeled dresses and jumpers. Barbara Clark modeled a maroon corduroy jumper. Eva Nell Ledford modeled a black velvet jumper. Mary Moody, a purple corduroy dress. Doris Peek, a maroon wool jumper. Betty Lou Pruett, a maroon corduroy jumper. Betty Lou Smith, a red wool flannel dress with black accessories. Phyllis Spivey, a green and black wool plaid jumper. Joyce Weatherly, a blue, light weight flannel dress with red and black accessories.

**F.F.A. News**  
Dec. 1 was a fine day for the new members of our local F.F.A. chapter. The new members were initiated into the club.

The boys wore as part of the initiation bad overalls (too big), red shirt, straw hat, one boot and one shoe, Bucket with five things that start with F and five, with H, green hand, some part of harness (collar, bridle, etc.), and a patch with F.F.A. in the seat of pants.

The ones that did not wear this will have to memorize or write the F.F.A. creed 10 times.

The new members were: Stanley Gregory, George Thompson, Thomas Vess, Johnny Vess, Raymond Pegg, Robert Wilson, Buck Waldrup, Scott Stevens, Charles Spivey, Richard Smith, Jack Russell, Larry Rhymer, Harold Pulliam, Earl Pruett, Jim Powlas, Johnny Mills, Jimmy McMahan, Walter McKinney, Wayne McHaffey, Jackie Gill, Van Chapman, Harold Burrell, Wayne Bartlette, Johnny Allen, Fred Bartlette, John Bradley, Bobby Conner, Robert Creasman, Curtis Hall. The girls game was never in doubt as the Oaks were hitting from all angles and held a 19-6 commanding lead at the half. Patsy Calloway and Vera Allen led the Oakley lassies with eight points each. Nanney was high for Swannanoa with seven.

"I am the resurrection and the life; he that believeth in me, though he were dead; yet shall he live: And whosoever liveth and believeth in me; yet shall he live."

— Bible

We shall always remember him as being good-natured, happy-go-lucky, always very polite to everyone, and always quick to smile. He was liked by all who knew him. During his years in high school, he played football for S.H.S. and was on the square dance team two years.

In 1951, he joined the Navy.

I have really enjoyed  
being in your classes.  
Don't forget the time you  
kept me in for homework

reason you do that is  
you are the strictest teacher

you wanted to hear a bedtime story one time so I'll just tell you one now! I remember a lot that I used to like but they're too scary to tell you.

### The Jumping Man

once upon a time there was a very jolly man who was called the jumping man. He would jump over houses, chimneys, churches, sometimes part of the chimney would fall & then some times he would kick the church steeple so hard, it would ring the bell and all the people would gather at church.

# ROCK WOOL INSULATING COMPANY

one day the mayor and his wife were walking down the street when the jumping man happened to come along. As he jumped over the mayor he kicked his pipe down his throat & as he jumped over the mayor's wife he kicked her hat off and then went on just as jolly as ever and jumping as high as ever.

"Call the Joe Blows"  
For Black Rock Wool Insulation

Now when he abused the mayor & his wife that made them awful mad & right away they decided they would do something about the jumping man. The first thing they did was to put out posters and it said "wanted, the highest jumper in the world, the mayor will pay \$5,000 reward."

The next day there was a riot, everyone screaming and pushing trying to get to the mayor. Some brought boxes of fleas, monkeys, kangaroos and worried the mayor so much he escaped out the window. Right away he met the jumping man and arm in arm they went, over houses, churches, people and everything.

I hope you enjoyed this bedtime story, now go to sleep & pleasant dreams. Asheville North Carolina. Get to say your prayers & kiss Miss White before you go to sleep.

I think you have been a  
very good teacher, even if we

American History. I wonder if
